Growing Inside Out Capital Stewardship Campaign

A Devoted Season

From now until the end of May will be a season to grow spiritually. Together, we begin an intensive spiritual journey in Holy Cross. Through our *Growing Inside Out* capital stewardship campaign, we will study God’s Word, pray, visit with one another in small group settings, and grow in our ability to share our faith with each other. I am asking you to make time in your schedule this spring to prayerfully and mindfully devote yourself to some of the activities of the campaign.

I ask you to attend one of the Enrichment Gatherings beginning in mid-March. These are facilitated, small-group discussions in the relaxed hospitality of parishioners’ homes. These gatherings will be an opportunity for you to review the history of our building program, receive an update on the next steps toward completing our current phase of facilities improvements, and ask questions. A list of the meeting dates, times and locations is enclosed. You may sign up at church, or a member of the campaign team will call on you to receive your reservation into one of these sessions.

A Gifted Teacher

Finally, I invite you to an All-Church Bible study on **Sunday, March 6** at both 8 and 10 AM services. Marc Rieke, our preacher, is a professional educator by training and many years of experience; I would describe Marc as a Christian who by the power of the Holy Spirit has the “Gift of Stewardship,” and the ability to help us get it too.

A Special People, Place, and Time

Holy Cross Church is a community abounding in heart and grace at a blessed place and time. Thank you in advance for your commitment to increased study of God’s Word. Thank you for your faithful dedication to the present and future mission of Holy Cross.

Kindest Regards in Christ,

Fr. Jim Eichner
