

# Welcome to the Green Elephant Plant Swap.

Q. What is a *Green Elephant*?

A. A *Green Elephant* is a pass-along plant: a treasure from your garden that has increased, and which you want to share with other gardeners.

Q. How does the swap work?

A:

- No sales. Just trades and freebies.
- Free Stuff: See plants around the FREE sign.
- Plants on the pavement near vehicles are for trade.
  - **Please Do NOT take people's plants.**
  - **First talk with the grower.**
- Plants inside vehicles are hands off.

Q. I'm concerned about inadvertently losing an important plant.

A. Keep it in your vehicle.

Q. How do I advertise the plants I have to trade?

A. Put them on the pavement near your vehicle.

Q. I have Free Plants to give away.

A. There's a Free Plants area on the sidewalk toward the office.

Q. Where are the restrooms?

A. Inside the church. At either end.

Q. I've brought Food to trade for plants.

A. Roving with a container of cookies is a great way to barter for plants. If you have leftovers, they are most welcome at the coffee table in the church.

Q. Is there something warm to drink?

A. Check out the coffee in the parish hall of the church..

Q. Is there any place off limits on the property?

A. Everyone is welcome everywhere on the property. Please use the playground, visit the Memorial Garden, walk the labyrinth and Stations of the Cross in the back yard.

Thank you for attending the Green Elephant Plant Swap. The purpose of the Green Elephant is FUN: to gather gardeners to exchange and share plants and ideas, and to help new gardeners get started.

If you have ideas on how to make the Green Elephant better, or other feedback and comments. I would like to hear them.

Happy Gardening,

Jim Eichner
